

# NURSES' ANTHEM WITH YOU

**ARTISTE: JACK AND RAI**

No matter where you go  
I'm letting you know  
That I'll be there with you

## **VERSE A**

This ain't a love song  
This is for the heroes who are barely seen  
May never know it  
But they're in it always as part of the team

## **VERSE B**

For the times with happiness  
For the days we had it rough  
For the moments we were saying... oh oh woah  
From the worst right till my best  
Even when we had it tough  
Together went through it singing... oh oh woah

## **PRE-CHORUS**

You'll always be the one to heed the call

## **CHORUS**

Everybody's got someone to lean on  
Searching for the sun to light up the way  
No matter where you go, I'm letting you know  
That I'll be there

When you know you need someone to call on  
Whatever the weather, night or day  
However long it takes, this promise I'll make  
That I'll be there (I'll be there)  
With you

**Repeat Verse B, Pre-chorus and Chorus**
